- **LEVEL 2:** When you reach \$2,400 in personal Retail Sales within 60 days of your Kit purchase, you'll receive \$200 in Free Product.
- **LEVEL 3:** When you reach \$4,800 in personal Retail Sales within 120 days of your Kit purchase, you'll receive a 50% Buying Discount for as long as you remain Active! That's right: **50% FOR LIFE!**

Don't let this incredible opportunity to earn a 50% Buying Discount slip away. Invest in your future and watch your profits soar!

* If at any time a Consultant drops to Inactive or Preferred Customer status, her Buying Discount will revert to 35% after Reactivating.

** It is not necessary to achieve a previous Fast Track Level in order to attain the next one; for example, a Consultant who misses Level 1 in her first 30 days may still reach Level 2 when she meets the requirements for that level. Rewards are not retroactive; a Consultant who misses Level 1 but achieves Level 2 is not eligible to receive her Level 1 reward.

*** If a Consultant purchased a Gold Starter Kit and is already receiving a lifetime 50% Buying Discount, she will receive \$300 in Free Product when she reaches Level 3.
